

Learn from the best!

See a performance by Dazzling Dave and you might start believing his yo-yos are alive. Dazzling Dave Schulte is a professional yo-yo performer and highly acclaimed champion who has circled the globe since 1998, storming audiences everywhere with his freakish tornado of whirling tricks and tips, all designed to entertain, educate, and illuminate the beauty of the growing sport of professional yo-yo.

A former middle school teacher, Dave's heart and soul are still in teaching – and now he's found a better way. By giving hands-on instruction on the worlds oldest and coolest toys, the yo-yo. While Dave is teaching yo-yo tricks, his "students" are learning them, and much more...hand-eye coordination, goal setting, & performance techniques.

Every American generation since the early 1930's has loved the yo-yo, so much so that it was named the "Toy of the Century" by the A&E Television Network. Now you can learn how to become one of the best players by attending "Yo-Yo Blast" with Dazzling Dave.

The workshop starts with the basic tricks like "forward pass", throwdown, and "walk the dog", and you can go all the way to expert tricks like "double or nothing", and "split the atom". Dave will have yo-yos available for you to use during class. If you want, you can bring your own yo-yo, or better yet, buy a high quality yo-yo at the class.

Dazzling Dave demonstrates a popular yo-yo trick, the Eiffel Tower. Learn this trick and more on *Dazzling Dave's Tips and Tricks* instructional DVD.
